Ceremony *Locations*

Fisherville Church

Built in 1856, Fisherville Church has been hosting weddings and family events for 170 years! Join in its storied history where guests sit in box pews and massive windows invite the sun to stream in upon your ceremony. For something even more special, get married as the sun sets in a candlelight ceremony.

CAPACITY 120

Victoria Green

Immerse yourself in the lush, private haven of the Victoria Green. Set apart from the rest of The Village, this intimate location offers the perfect setting for your ceremony with direct, exclusive access to indoor reception space in either The Victoria Room or The Canada West Room.

CAPACITY 180

Town Hall

Situated in the heart of The Village and bathed in natural light, the Town Hall has long been where the community gathers to celebrate life's milestones. It's the ideal place for family and friends to share in your most important moment.

CAPACITY 90

Town Hall Green

In the heart of The Village and steps from the Grand Pavilion, the Town Hall Green is a traditional gathering space for community events. Surrounded by trees, with the historical Town Hall as your backdrop, it is the perfect outdoor ceremony spot.

CAPACITY 180

Reception Venues

The Canada West

This stately room is situated within the Visitor Centre, making it an ideal location any time of year. With easy access to the Bridal Suite, a grand bar in the room, a permanent dance floor, and quick direct access to a cozy outdoor space, this wood-paneled room has all the conveniences and grandeur you're looking for.

CAPACITY

130

The Victoria

Located steps from the Bridal Suite, this charming space is perfect for an intimate wedding reception. With floor-to-ceiling windows overlooking the private Victoria Green, it's an inviting place to gather your loved ones and celebrate in any season.

CAPACITY

90

The Grand Pavilion

Under the stars and twinkle lights, and nestled in the middle of the vibrant historical Village at Black Creek, feel the magic of a summer's night in love. This is a permanent, outdoor structure that is ready to go, rain or shine.
