

VISITORS GUIDE BUILDING INFORMATION

Black Creek Pioneer Village, a heritage project the Toronto Conservation Authority, is a living history museum where the colourful past of Ontario is recreated.

Daily life as it was in a rural community in the mid- nineteenth century is recreated by staff in period costume, animals, gardens, and more than forty restored buildings.

Visit the Gift Shop! Located in the Visitor's Centre, the Gift Shop sells sweets, books, maps, local artisan pieces, historical newspapers and tools and handicrafts made in the Village.

Beer was integrated into the daily life of the 19th century. Like today, it was a refreshing summer drink, but it also played an important role in people's diet!

Visit the brewery to learn more about the history of beer, from its ingredients to its consumption.

The village's master brewer creates real ales with tools and techniques similar to those of in 19th century Ontario.
